

## WEEE Compliance Statement (Registration Number: WEE/HF4238XX)

The following policy was re-issued on 8th January 2016 and will be reviewed annually thereafter.

### 1. Background

The WEEE Regulations 2013 (as amended), came into force from 1st January 2014.

There are a number of obligations imposed on OptoSci Ltd. as a producer of electrical and electronic equipment.

OptoSci Ltd. supplies products Business-to-Business.

OptoSci Ltd's compliance approach for these obligations is detailed below.

### 2. WEEE Marking

All OptoSci Ltd. products that are subject to the WEEE directive shipped from 13<sup>th</sup> August 2005 are compliant with the WEEE marking requirement.

Such products are marked with the "crossed-out wheelie bin" WEEE symbol in accordance with European Standard EN50419. All products also carry a unique serial number.

### 3. Registrations and Reporting

OptoSci Ltd. is registered as a producer in the UK, registration number WEE/HF4238XX.

OptoSci Ltd. use in-house recording to monitor how much EEE has entered the market.

Reports are submitted to the relevant authority with information of the weights of EEE product placed on the market by OptoSci Ltd.

### 4. Information for Customers

According to the requirement of the WEEE legislation the following user information is provided to customers for all branded OptoSci Ltd. products subject to the WEEE directive.

*"The symbol on the product or its packaging indicates that this product must not be disposed of with normal household waste. Instead such marked waste equipment must be disposed of by arranging to return to a designated collection point for the recycling of waste electrical and electronic equipment. Separating and recycling this waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment."*

OptoSci Ltd. offers our customers the opportunity to return products at the functional EOL to us for recycling, qualifying products are marked with the WEEE symbol shown above. The costs of recycling described above are included in the product price as standard. Delivery cost of any authorised product returned to OptoSci Ltd. will be at the expense of the sender. All returns must be issued with an RMA Number before the customers arrange for delivery of WEEE product.
